

June 8, 2023

Dear Community Partner,

As you may know, MyCare Health Center is a nonprofit, federally-qualified community health center offering an array of comprehensive health services to our communities. Our three locations in Center Line, Clinton Township, and Mount Clemens, have been a trusted partner in promoting healthy communities for over a decade. We proudly provide primary care, dental care, behavioral health, podiatry, Medication Assisted Treatment and other supportive services designed to improve the health and wellness of the community by delivering quality care to **all** people.

In honor of this year's National Health Center Week, August 6-12, MyCare Health Center will be conducting several community initiatives throughout the week to illustrate how health centers are the "Roadmap to a Stronger America"; this year's national theme. Each year the goal of this annual celebration is to help raise awareness about the mission and accomplishments of America's health centers like MyCare. We will use this week to highlight the major advances this past year as we've transitioned out of the COVID-19 pandemic, and how MyCare Health Center continues to serve our local communities.

In order to ensure the success of these community initiatives, we are requesting monetary donations that will be used toward our in-person health fair event to be held August 9, 2023 from 1:00 p.m.-6:00 p.m. Those who wish to provide support will be given special recognition at the event, on the event signage, on our social media pages, and more. As an added benefit, MyCare Health Center is a 501(c)3 nonprofit organization. Therefore, all donations may be tax deductible! Your support is essential to providing a successful community-focused event.

We also have limited space available for vendors to participate the day of the event. Enclosed is the Health Fair Registration form with information on how you can reserve a table if you wish.

In the event you are unable to participate in the health fair, but still wish to donate items to support National Health Center Week, arrangements can be made for donations to be dropped off by calling Dave Wilson at (586) 619-9986 ext. 1012.

Thank you in advance for your consideration, and your continued support!

Sincerely,

A handwritten signature in black ink that reads "Karen Wood". The signature is written in a cursive, flowing style.
